

# Coming Soon!! PSF Community Center Property Improvements

Approved Plans  
Tremont Street

Starting on **June 14<sup>th</sup>**, PSF will begin the property improvements that were presented in February at a community meeting and at the BAIA . These improvements will improve safety and accessibility by:

- Adding a wheelchair (and baby stroller) ramp from Tremont St.
- Replace decaying and dangerous retaining walls
- Improve vehicle safety in the parking lot and onto Tremont St.
- Increase on-site parking to reduce local parking congestion
- Improve landscaping and add new fencing to make the property more attractive and safe for children

**The Community Center will remain open during construction but the parking lot will be closed.**

All Construction scheduled to be complete before **September 1<sup>st</sup>**.
